## Outdoor & Super Exterior Curtains

---

### Product Advantages

- Heavy duty 18 oz vinyl coated polyester fabric and 40 mil clear PVC
- Vinyl material meets NFPA 701 (Large scale) flame retardancy and clear PVC meets California Fire Marshal standards.
- 5% is added for curtain's "Drape" and is automatically given at no charge.
- Custom curtains can be made up to 100 ft. high by any width.
- Double and triple folded hems for greater strength and durability.
- Double lock stitching with mildew/rot resistant thread is standard.
- All edges are finished.
- 2" industrial strength Velcro closures between curtain panels.
- Fully enclosed, sewn in, galvanized chain in the bottom hem for motion reduction and improved appearance.
- Mounting hardware is included with Goff's Proprietary "Universal Mounting Bracket"
- 9 colors to choose from at no additional cost.
- 16 gauge, galvanized steel, channel track with dual wheeled trolley carrier roller hooks on 1 ft. centers (steel rollers are recommended on curtains over 16 ft. high)

### Super Exterior Curtain Product Advantages (in addition to the above)

- Include: 1" nylon webbing double lock stitched on 3' centers both vertically & horizontally
- Turn buttons along with the hook and loop fasteners along edges
- Wind Ties every 3' along bottom

### Options Available

- Wind Ties (included with Super Exterior)
- Floor sweeps to compensate for uneven floors.
- Valance panels create a more complete separation and hide mounting hardware.
- Tiebacks to hold the curtain in place when not in use.
- Custom logos for your company name, trademarks, slogans, products, etc.

### Product Benefits

- Eliminates costly brick and mortar permanent type walls.
- Quickly creates privacy areas
- Improve working conditions
- Easily slides out of the way when not needed
- Helps to control contaminants, temperature, sound and light.
- Resistant to most chemicals
- Easy to install, clean and replace
- Five-year warranty
- Lifetime warranty on all hardware
