## Welding Curtain Wall Partitions

---

### Product Advantages

- Heavy duty 14 oz vinyl coated polyester fabric with 14 mil weld view tinted windows.
- Vinyl material meets NFPA 701 (Large scale) flame retardancy and California Fire Marshal standards.
- 5% is added for curtain's "Drape" and is automatically given at no charge.
- Custom curtains can be made up to 100 ft. high by any width.
- Double and triple folded hems for greater strength and durability.
- Double lock stitching with mildew/rot resistant thread is standard.
- All edges are finished.
- 2" industrial strength Velcro closures between curtain panels.
- Fully enclosed, sewn in, galvanized chain in the bottom hem for motion reduction and improved appearance.
- Mounting hardware is included with Goff's Proprietary "Universal Mounting Bracket"
- 12 vinyl colors and 5 weld view colors to choose from at no additional cost.
- 16 gauge, galvanized steel, channel track with dual wheeled trolley carrier roller hooks on 1 ft. centers (steel rollers are recommended on curtains over 16 ft. high)

### Options Available

- Wind tie downs.
- Floor sweeps to compensate for uneven floors.
- Valance panels to create more complete separation and hide mounting hardware.
- Tiebacks to hold the curtain in place when not in use.
- Custom logos for your company name, trademarks, slogans, products, etc.
- Air-filter panels sewn into the curtains.
- Solid vinyl, all mesh, all clear, or all weld view curtains available.
- Curtain shield protective spray coating and Curtain cleaner

### Product Benefits

- Protect personnel from harmful UV rays.
- Create a barrier for weld smoke and fume removal.
- Eliminates costly brick and mortar permanent type walls.
- Separates conflicting tasks within work environments.
- Improves working conditions
- Easily slides out of the way when not needed
- Helps to control contaminants, temperature, sound and light.
- Resistant to most chemicals
- Easy to install, clean and replace
- Five-year warranty on materials and workmanship
- Lifetime warranty on all hardware
