Goff’s Original Curtain Walls are constructed with a combination of some of the finest industrial vinyls available. The upper and lower opaque, PVC sections are 14 oz. per square yard, reinforced with a polyester 9 x 9 x 1300 denier weft inserted scrim which is laminated into the fabric to give the curtain a high tear and tensile strength without sacrificing flexibility.

INDOOR APPLICATIONS

Goff’s Product line includes a variety of custom made vinyl products. Other products include High Performance Vinyl & Mesh Doors, Roll-up Curtains, Outdoor & Super Exterior Curtains, Climate Control Curtains, Welding Curtains, Strip Doors, Welding Screens, Privacy Screens, Noise Control Curtains & Screens, Trailer Doors, Manual Bug Blocking Doors, Food Processing Curtains, & More!
