Gott's G-1 DOORS
Simply. Intelligent.

Setting a New Standard for Bug Screen Doors at your Dock

- Keep bugs, birds & intruders out while allowing fresh air in.
- Keep non air conditioned space cooler for long periods of time.
- Structurally strong fiberglass wind bars won't bend or kink if impacted – reduces down time waiting on parts.
- Pre-assembled components and simple door design – reduces installation time.
- Full end caps are included on all wind bars to reduce friction in the PVC tracks.

- Adjustable projection mount hardware to provide maximum flexibility for many installation scenarios.

Helps meet AIB Inspection Standards.

WARRANTY – 2 years on components and workmanship, 1 year on labor!

Double the warranty of most bug screen door manufacturers!

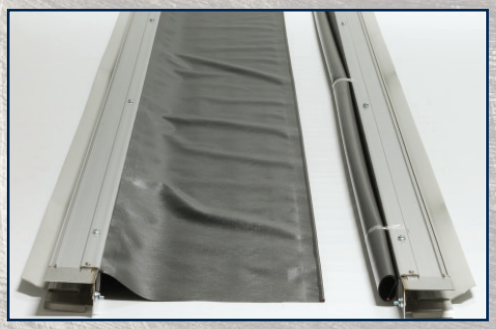
Installation Made Quick and Easy!

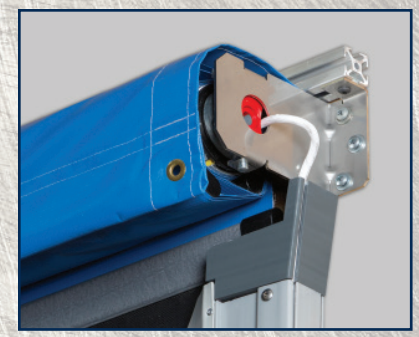
End brackets, entire door curtain, weather seal, roll cover and trim are pre-assembled.

Mounting brackets are not required for in-jamb or face mounted doors.



No fabric trimming on side seal panels for projection mount installations. Panels are preinstalled in the door track at the factory. The wall side of the panels are snapped into the wall mounted receiver.

Projection mount brackets are adjustable for maximum flexibility.

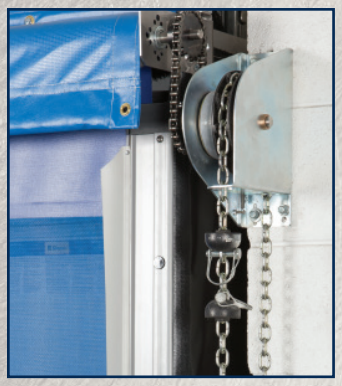


The optional pre-wired controls saves install time.

Reduces downtime during installation in your facility!

6 options to activate your door!

In-Tube motors can operate your door at 6"/second or 12"/second.



Manual Chain Hoist door with a brake is simple to use and easy to install.

Hand Crank door can be used manually with handle or driven by a power drill for quicker operation.

Manual Spring Assist doors are held down and secured with a simple tethered pin lock.

All doors come with a full width roll cover to protect the top roll assembly, while providing a tight seal for the industry's best insect control.

Door Material and Component Construction

- **Panel Construction – Features heat welded seams for more strength and durability.**
- **Panel Materials – 17 x 11 polyester scrim/ 65% shade factor, easily replaced.**
- **14oz. solid vinyl panels available at no additional charge.**
