Install A Goff's Door In Any Location At Your Facility – No Door Opening Needed!

Material

Aluminum

- Very light for reduced shipping costs
- Will never rust
- Great for indoor and outdoor installations
- Good for wash down applications

Powder Coated Steel

- Can easily weld additional attachments to frame
- Good for indoor installations only

Stainless Steel

- Will never rust
- Great for facilities that require food grade equipment
- Good for washdown applications
- Good for indoor and outdoor installations

Standard color for powder coating on the steel frames is Safety Yellow. 9 additional colors are available upon request.
