

From the Makers of

Goff's

**CURTAIN WALLS**

**Keep Your  
Curtains  
Looking NEW!**

## SHIELD ALL

Shield All is an entirely water based liquid that forms a protective barrier between your curtain or Spraybooth and dirt or overspray.

Shield All is much better than standard "booth coatings" for use on curtains for the following reasons:

- Goff's Shield All dries transparent
- Dries "Tack-free" (Won't ruin clothing if brushed against)
- When dry, remains flexible
- If peeled off, remains flame retardant
- Easily washes off with water when removal is desired

### Other Features:

- Shield-All can be applied through standard HVLP or traditional sprayguns
- One gallon covers approximately 400 square feet
- Can be used as a booth coating as well

## CURTAIN CLEANER

Curtain Cleaner is a non-chemical based cleaner that works wonders on all types of vinyls. It is safe for all vinyl curtain walls and PVC products. It will not harm or yellow clear window sections and works great as an all purpose cleaner too!
